THANKYOU

Win up to £25,000 a week with our charity lottery

A lottery with a difference

Not only will you be in with the chance of winning cash prizes, you will be helping local Carers in Gloucestershire. We receive profits directly from the number of lottery players we recruit, for every £1.00 entry – 50p comes directly to us.

How it Works

For just £1.00 per week you will be allocated with a six digit Lottery number. You can purchase more than one entry if you like. Every Saturday, the lucky winners are selected at random and the prize cheques are issued and posted directly to you, so there is no need for you to claim. You must be 16 or over to enter. Winners have to match 3, 4, 5 or all 6 digits of the winning number in the correct place in the sequence.

Six digits in the correct place wins £25,000	Five digits in the correct place wins £1,000	Four digits in the correct place wins £25	Three digits in the correct place wins £5
---	---	--	--

How to join – three easy steps:

Step one – Complete your personal details – so that we can contact you if you win!

Step two – Select the number of lottery entries you wish to purchase each week and how often you wish to play.

Step three – Complete the direct debit instruction or enclose a cheque. Detach the form, seal the edges and return to the Freepost address. You will be notified of your lottery number.

Unity is operated by Sterling Management Centre Ltd, registered as an External Lottery Manager by the Gambling Commission under the gambling Act 2005 - www.gamblingcommission.gov.uk

No one in Gloucestershire should face the challenges of caring alone and with your help they won't have to. By playing our lottery you are directly supporting local Carers.

Thankyou

Val is a full-time Carer for her daughter born with Down's syndrome.

"It was another parent Carer who introduced me to Carers Gloucestershire – that's when a lot more doors were opened. This was a real relief for me because I could attend training and workshop sessions, get to meetings, things I could actually do. I'm an outgoing person, so being in and isolated isn't me."

It's a sobering statistic that 22 people per day take on caring responsibilities in Gloucestershire. For some, this role will be manageable but for others it will be devastating affecting every aspect of their lives. We respond by providing practical and emotional support during difficult times.

From bedtime stories to saving lives, just for love...
